

Hot Drinks Packaging in Singapore

April 2024

Table of Contents

KEY DATA FINDINGS

2023 DEVELOPMENTS

Flexible aluminium/plastic losing share in coffee packaging

Folding cartons and flexible paper dominate fruit/herbal tea packaging

Other metal and folding cartons benefit from the rising demand for fresh ground coffee pods

PROSPECTS AND OPPORTUNITIES

Thin wall plastic containers to see strong growth over the forecast period

Nestlé's sustainability initiatives drive recycling efforts in fresh coffee pods

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
