DISCLAIMER

BABY AND CHILD-SPECIFIC PRODUCTS

- Key Data Findings
- 2024 Developments
 - Urbanisation and local innovation support growth despite affordability challenges
 - Local manufacturing gains traction as imports become less viable
 - Consumers continue to rely on traditional remedies and low-cost solutions
- Prospects and Opportunities
 - Urbanisation and awareness to support moderate category growth
 - Inflation and affordability concerns to limit category expansion
 - Natural products and e-commerce expected to drive innovation
- Category Data

BATH AND SHOWER

- Key Data Findings
- 2024 Developments
 - Urbanisation and hygiene awareness support growth, but water scarcity remains a constraint
 - Local producers gain ground in a fragmented and competitive market
 - Consumers show growing interest in natural products but inflation prompts downtrading
- Prospects and Opportunities
 - Affordability and necessity will continue to drive demand for bar soap
 - Natural formulations and small-scale producers to shape the competitive landscape
 - Innovation to centre on local ingredients and product diversification

DEODORANTS

Key Data Findings

2024 Developments

Foreign exchange fluctuations and growing male demand support category growth

International brands dominate an import-only competitive landscape

Price sensitivity and social media shape consumer choices

Prospects and Opportunities

Category growth will be driven by increased awareness and scent preferences

Illicit trade is expected to expand further amid price inflation

Online channels and niche stores support future access and innovation

Category Data

Table 25 - Sales of Deodorants by Category: Value 2019-2024

Table 30 - Forecast Sales of Deodorants by Category: % Value Growth 2024-2029

HAIR CARE

Key Data Findings

2024 Developments

Population growth and urbanisation support hair care sales, while product needs remain specific to local hair types

Leading players focus on affordable and trusted formats, while smaller brands meet niche needs

Consumer behaviour shaped by price sensitivity, social media influence and strong brand loyalty

Prospects and Opportunities

Demand for specialised and natural products set to rise, though affordability concerns will persist

Local producers and social media to shape demand and innovation

Retail innovation will come from digital and specialist formats

Category Data

Table 37 - Forecast Sales of Hair Care by Category: % Value Growth 2024-2029

DEPILATORIES

Key Data Findings

2024 Developments

Growing awareness supports modest category expansion, though affordability and access remain barriers

Razor brands dominate a fragmented competitive landscape, while e-commerce grows in niche segments

Seasonality and practicality shape depilatory use, while waxing gains ground in urban areas

Prospects and Opportunities

Depilatories to see steady but slow growth, with urbanisation and salon waxing fuelling demand

Illicit imports and e-commerce will continue to impact the competitive landscape
Innovation to remain modest, with salons and digital platforms driving awareness

Category Data

- Table 38 - Sales of Depilatories by Category: Value 2019-2024
- Table 39 - Sales of Depilatories by Category: % Value Growth 2019-2024

- Table 43 - Forecast Sales of Depilatories by Category: % Value Growth 2024-2029

ORAL CARE

Key Data Findings
2024 Developments
Oral care benefits from rising awareness but faces pricing challenges
International brands dominate while local players attempt to scale
Traditional retail channels dominate but digital platforms gain ground
Prospects and Opportunities
Steady demand growth supported by urbanisation and awareness
Health trends and affordability will shape category segmentation
Digital platforms and pharmacies to expand access to premium offerings

Category Data

- Table 44 - Sales of Oral Care by Category: Value 2019-2024
- Table 45 - Sales of Oral Care by Category: % Value Growth 2019-2024

- Table 49 - Forecast Sales of Oral Care by Category: % Value Growth 2024-2029

MEN'S GROOMING

Key Data Findings
2024 Developments
Rising awareness and social media influence drive grooming interest despite price pressures
Imported brands dominate a fragmented competitive landscape
Traditional tools and social trends shape consumer behaviour
Prospects and Opportunities
Men's grooming to grow steadily, with expanding salon culture and demand for beard-related products
High prices and low awareness to limit the growth of niche grooming categories
Innovation and social media will continue to shape product development and consumer preferences

Category Data

- Table 50 - Sales of Men's Grooming by Category: Value 2019-2024

- Table 55 - Forecast Sales of Men's Grooming by Category: % Value Growth 2024-2029

COLOUR COSMETICS

Key Data Findings
2024 Developments
Increased awareness, rising urbanisation, and seasonal demand drive sales
L'Oréal remains the category leader, though competition is highly fragmented
Consumers balance affordability with aspiration as social media shapes preferences
Prospects and Opportunities

Urbanisation and self-care trends set to drive continued growth

Affordability remains central, though premiumisation gains ground in urban centres

E-commerce and influencer marketing expected to support diversification

Category Data

Table 56 - Sales of Colour Cosmetics by Category: Value 2019-2024

FRAGRANCES

Key Data Findings

2024 Developments

Fragrance market expands despite economic pressures, driven by rising awareness and brand substitutes

Puig leads the fragmented market, while Shaik and local mixers gain ground

Economic strain reshapes consumption patterns and opens space for creative alternatives

Prospects and Opportunities

Growth expected to be steady but constrained by affordability concerns

Local producers and scent-mixers poised for expansion

Innovation and e-commerce to support category diversification

Category Data

Table 63 - Sales of Fragrances by Category: Value 2019-2024

Table 68 - Forecast Sales of Fragrances by Category: Value 2024-2029

Table 69 - Forecast Sales of Fragrances by Category: % Value Growth 2024-2029

SKIN CARE

Key Data Findings

2024 Developments

Skin care demand continues to expand, but inflation drives downtrading and smaller pack sizes

Unilever retains its lead as local brands and medical skin care gain traction

Moisturisation remains essential, while skinification and local remedies grow in popularity

Prospects and Opportunities

Demand for skin care to rise despite downtrading, with general-purpose products leading growth

Local brands expected to grow as they offer culturally relevant, affordable alternatives

E-commerce and targeted digital campaigns to drive innovation and access

Category Data

Table 70 - Sales of Skin Care by Category: Value 2019-2024

Table 75 - Forecast Sales of Skin Care by Category: Value 2024-2029

Table 76 - Forecast Sales of Skin Care by Category: % Value Growth 2024-2029

SUN CARE

2024 Developments

Social media drives awareness of sun care but high prices limit mass adoption

Global brands retain a premium image while local players begin to emerge
Awareness is rising but affordability continues to define purchasing patterns
Prospects and Opportunities
Sales expected to rise as awareness spreads and affordable options increase
Natural, locally made sun care expected to gain momentum among upper-income consumers
E-commerce and informal digital channels to drive innovation and access

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/beauty-and-personal-care-in-ethiopia/report.
