DISCLAIMER

MENSTRUAL CARE

Key Data Findings

2024 Developments

Stagnation of menstrual care sales in 2024 thanks to a decline in the popularity of pantyliners

Essity with its Saba brand retains the lead despite a decline in its value share in 2024

Modern grocery retailers remains the outright leading channel for menstrual care

Prospects and Opportunities

Positive growth of menstrual care thanks to larger consumer base and growing economic prosperity

Low popularity of retail e-commerce for menstrual care sales

Industry players focus on innovation and a variety of claims to attract more middle-income consumers

NAPPIES/DIAPERS/PANTS

Key Data Findings

2024 Developments

Growth of nappies/diapers/pants sales despite decreasing birth rate

Kimberly-Clark and Procter & Gamble retain the outright lead in nappies/diapers/pants

Supermarkets remains the largest channel for nappies/diapers/pants, while discounters achieves the strongest increase in popularity

Prospects and Opportunities

Growth trend overall for nappies/diapers/pants though the declining birth rate diminishes the popularity of new born nappies/diapers

Kimberly-Clark extends its presence thanks to a new regional logistic hub and further investment in new product development

Emerging brands face significant challenges due to the dominance of Huggies and Pampers

RETAIL ADULT INCONTINENCE

Key Data Findings

2024 Developments

Sales growth of retail adult incontinence stems from reduced stigma and higher consumer awareness

The Tena and Attends brands remain the most popular

Modern grocery retailers remains the most important channel for retail adult incontinence in 2024

Prospects and Opportunities

Forecast period growth for retail adult incontinence as consumer product adoption rises

The main brands extend their usage and become increasingly available via the retail e-commerce arms of hypermarkets

Industry players focus on improving brand awareness through innovation

WIPES

Key Data Findings

2024 Developments

Positive growth trend for wipes as the category benefits from further penetration

Kimberly-Clark maintains its lead while Johnson & Johnson achieves the strongest increase in popularity

Supermarkets remains the most important channel for wipes thanks to wide range of products available and low pricing

Prospects and Opportunities

Forecast period growth for wipes as foreign brands and private label increase their penetration

Leading brands invest in infrastructure, brand extensions and sustainability

Widening usage of wipes helps mitigate the declining birth rate

Category Data

RETAIL TISSUE

Key Data Findings

2024 Developments

Growth of retail tissue in 2024 boosted by an easing of inflation and lower prices

Papelera Istmeña SA leads the category and also achieves the strongest increase in popularity

Supermarkets, discounters and small local grocers are the main distribution channels for retail tissue in 2024

Prospects and Opportunities

Continued growth of retail tissue over the forecast period, driven in the main by toilet paper

Increased differentiation opportunities for private label in retail tissue

Paper towels benefits from more regular usage driven by convenience trend and growing environmental friendliness

AWAY-FROM-HOME TISSUE AND HYGIENE

Key Data Findings

2024 Developments

Growth of away-from-home tissue and hygiene thanks to the popularity of AFH paper towels and AFH toilet paper

Growing popularity of AFH adult incontinence due to ageing population and the presence of these products in the Panamanian healthcare system

Kimberly-Clark Professional remains strong thanks to its extensive range and attractive prices

Prospects and Opportunities

Forecast period growth of away-from-home tissue and hygiene thanks in the main to horeca and tourism

Greater focus on product price as institutions limit their spending and increase their efficiencies

Stabilisation in international raw material prices and economic growth are strong forecast period growth drivers
