Consumer Appliances in Middle East and Africa

September 2024

Table of Contents

INTRODUCTION

Scope

Key findings

REGIONAL OVERVIEW

Middle East and Africa expected to record the strongest sales growth in 2023-2028

Small appliances account for four fifths of Middle East and Africa's unit volume sales

Consumer appliances continue to see positive growth in 2023

Egypt records the strongest consumer appliances growth over 2018-2023

Microwaves the most dynamic category over 2018-2023

Small appliances add the bulk of actual new sales in the region over 2018-2023

BNPL proving a popular purchasing method

Appliances and electronics specialists the leading distribution channel

E-commerce gaining share but still a relatively small sales channel

LEADING COMPANIES AND BRANDS

Local brands making unit volume share gains in Egypt

Fresh Electric makes gains in Egypt over the review period

Players investing in production operations in Egypt for the local and export markets

Toshiba slips down the brand rankings

FORECAST PROJECTIONS

Healthy annual growth rates expected throughout 2023-2028

Increased levels of hybrid/remote working boost demand for home appliances

As in Egypt, more localisation of consumer appliances production is expected in Saudi Arabia

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer

trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
