Consumer Appliances in Western Europe

September 2024

Table of Contents

INTRODUCTION

Scope

Key findings

REGIONAL OVERVIEW

Western Europe has the third highest regional sales and per capita consumption

Small appliances make up the biggest categories in unit volume terms

Declines, followed by stagnation, expected in the forecast period

Turkey adds the most new sales over 2018-2023

Air treatment products most dynamic in Western Europe in 2018-2023

Air treatment products and personal care appliances add the most new sales

Energy efficiency and multifunctionality among the ongoing trends in 2023

French consumers return to spending on services post-pandemic in 2022 and 2023

Appliances and electronics specialists still the leading distribution channel

E-commerce continues making gains even after nearly doubling its share in the pandemic

Grocery retailers lead sales of small appliances in France

LEADING COMPANIES AND BRANDS

Relatively high levels of concentration in Western European markets

Arçelik and Whirlpool merge their European operations

Germany the main market for more than half of the top 10 companies

No changes among the top five brands in 2023

FORECAST PROJECTIONS

Modest growth expected in the later years of the forecast period in Western Europe

Energy-efficient appliances expected to be in demand

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
